Mrs. Megan Pardue – Principal

February 24, 2017

Dear Parents and Guardians,

At Terry Parker High School, we strive to maintain a safe and secure learning environment, and train our staff to be a key component in identifying unsafe scenarios.

This morning, a school administrator became suspicious of a possible weapon being on school grounds after a meeting with a student. Duval County School Police investigated and discovered the student was in possession of a firearm. The item was immediately confiscated, and the student was taken into custody and arrested by law enforcement. Thankfully, no students nor staff members were harmed during this incident.

While we are grateful for the quick response by the school administrator and law enforcement, we ask for your assistance. Talk with your child about this incident and continue to emphasize their role in keeping Terry Parker safe. Monitor your child's belongings and the items he or she may bring to school as any firearm brought to campus is a violation of the Student Code of Conduct. Offender(s) can face disciplinary action by the district and life-altering criminal charges.

If you have any question or concerns, please do not hesitate to contact me at (904) 720-1650.

Sincerely,

M Pardue

Megan Pardue
Principal
