the supplement report (verbatim), authored by ISIU Detective [REDACTED]  
[REDACTED]

On 01-21-2016, Detectives [REDACTED] and [REDACTED] interviewed two known prostitutes [REDACTED] regarding an unrelated Human Trafficking investigation. During their interview of [REDACTED], the detectives were told [REDACTED] was having sex with a Jacksonville Sheriff's Office police officer. [REDACTED] denied she had sex with officer but advised she knew the officer as "Andy". [REDACTED] explained [REDACTED] has had sex with "Andy" several times in exchange for "information." [REDACTED] further advised "Andy" wanted to have sex with her, but she refused.

On 01-21-2016, Detectives [REDACTED] and [REDACTED] conducted an interview of [REDACTED] at the Integrity Unit office regarding the information of her having sex with an officer. [REDACTED] admitted she has had sex with the officer she knows as "Andy" on several occasions. [REDACTED] described the officer as a white male, about 41-42 years old, short dark hair and said she knew the officer had gone to law school. [REDACTED] advised she did not know his real name but advised the officer wrote a police report at her home [REDACTED] a few years ago. [REDACTED] advised she has sex with the officer on a consensual basis and denied receiving any "information" or money from the officer in exchange for sex. [REDACTED] advised the officer would bring her cigarettes or food or give her money if she asked but not in exchange for sex.

I researched [REDACTED] address and located a police report written by Officer Adam Boyd [REDACTED]. Boyd matched the description provided by [REDACTED]. Detectives [REDACTED] and [REDACTED] showed

██████████ a picture of Boyd and ██████████ immediately identified Boyd as being the officer she had consensual sex with.

On 01-26-2016, Detective ██████████ received a call from ██████████, ██████████ who advised she needed to provide information on a police officer who was having sex with prostitutes. ██████████ told ██████████ that she lived with ██████████ for a few years and worked as a prostitute along with ██████████. ██████████ advised an officer had been having sex with ██████████ in exchange for money. ██████████ further advised the same officer sexually battered her on two separate occasions. ██████████ advised she moved to ██████████ and had heard detectives recently interviewed ██████████, but was unaware about what so she thought she should provide the information she knew. ██████████ advised a detective would respond to ██████████ to speak with her regarding her allegation.

On 01-27-2016 at 0930 hours: Detective ██████████ and I conducted an interview of ██████████ regarding the information ██████████ had provided to Detective ██████████.

██████████ advised she lived in Jacksonville with a roommate named ██████████ from 2012 to 2014. She advised they lived at ██████████. While living at this address, ██████████ advised a police officer would visit ██████████ for the purpose of having sex. ██████████ recalled the first time she witnessed the officer having sex with ██████████ was possibly in May of 2012.

██████████ advised on that day in 2012, ██████████ asked her ██████████ to grab a condom and come outside. ██████████ advised she exited the residence and went into the detached garage. When she entered the garage, ██████████

and a uniformed police officer were standing in the garage. [REDACTED] gave [REDACTED] the condom because [REDACTED] advised she was going to "trick" with the police officer. Prior to exiting the garage, [REDACTED] stated the officer advised he would look out for them to make sure no one investigated them with their "Back Page stuff".

[REDACTED] advised the police officer would have sex with [REDACTED] once a month for approximately one year. She stated the officer would pay [REDACTED] \$10 each time. [REDACTED] stated as time went on, the officer became more comfortable because he normally parked down the street but eventually started parking his marked police car in the driveway. She advised the officer was in uniform each time he came to the residence.

[REDACTED] did not know the police officer's name or car number but provided the following description: white male, 5'9" to 5' 11", not over weight, clean cut with dark hair parted to one side.

[REDACTED] further stated [REDACTED] and [REDACTED] went to jail in 2013 for bad checks. She stated [REDACTED] received 4 months jail time and [REDACTED] received 6 months jail time. [REDACTED] stated during this timeframe is when she was sexually battered by the same police officer.

Note: I confirmed that [REDACTED] and [REDACTED] were both arrested on [REDACTED]. [REDACTED] was sentenced and released on [REDACTED]. [REDACTED] was sentenced and released on [REDACTED].

[REDACTED] advised a friend of hers [REDACTED] called and was coming over to her residence. She advised there was a knock at her door a short time later, so she opened the door assuming it was her friend. Upon opening the door, [REDACTED] observed the

\*REDACTIONS THIS PAGE: FSS 119.071(2)(h)1., 119.071(2)(f.)

same officer [REDACTED] had been having sex with standing in the doorway. [REDACTED] advised the officer was in uniform and walked into the residence.

[REDACTED] advised once the officer entered the residence, the officer saw her cell phone on the table. [REDACTED] advised the officer went over to the cell phone and made sure it was turned off. [REDACTED] advised the officer then grabbed her arm while standing near the couch and pulled her towards the back bedroom. [REDACTED] advised she told the officer about her friend coming by at which time the officer stated "he won't stop because of my police car." [REDACTED] stated he then opened a dresser drawer which contained two crack pipes and condoms. The officer then made the comment he has the ability to look out for them and to keep the police away from the residence.

[REDACTED] advised the officer then placed her on the bed and pulled out his penis which was already erect. [REDACTED] advised the officer performed penile/vaginal intercourse on her for approximately 4 minutes. [REDACTED] advised the officer did not get undressed and only pulled his pants down. [REDACTED] advised she was lying on the bed and he was in a standing position. She stated the officer wore a condom and flushed it down the toilet after the incident.

[REDACTED] advised she did not consent to the sex but also did not resist because he was a police officer. She advised if it was anyone other than a police officer, she would have tried to fight or stab him but she felt as if she could not resist because he was an officer.

[REDACTED] advised after the incident she called [REDACTED]. She advised [REDACTED] told her he saw a police car when he came by so he did not stop. [REDACTED] then told [REDACTED] what happened and he asked if she was ok. [REDACTED] then came by the residence to check on [REDACTED].

\*REDACTED THIS PAGE: FSS 119.071 (2) (f.), 119.071 (2)(h) 1.

[REDACTED] advised the only other time she had sexual contact with the officer was approximately one month later. [REDACTED] stated there was a knock on the door so she opened it to find the officer. She advised the officer was in uniform and entered the residence and checked her cell phone again. [REDACTED] stated he then led her back to the bedroom and had penile/vaginal sex with her. She stated once again this was not consensual and she never accepted any money from the officer. [REDACTED] advised the details of the sexual assault were not as clear as the first encounter because she was high.

\*Note: [REDACTED] advised she felt she would be arrested on both occasions if she did not allow the sex to occur. She further added that she did not resist either time because he was an armed police officer.

[REDACTED] advised she moved out of [REDACTED] residence in 2014. She advised she moved to an address on [REDACTED] and had the electricity in her own name. She advised after she moved, she started to receive phone calls from a blocked number. [REDACTED] advised she initially answered the phone until she discovered it was the officer. She advised the officer was attempting to locate her. [REDACTED] advised she stopped answering the calls and had not spoken with the officer since then.

[REDACTED] advised her phone service was with Verizon at the time and the account was in her name. She thought the cell phone number was [REDACTED] but advised it could have been another number from Verizon under the same account which she could not recall from her memory.

We inquired who knew about the officer or the incident. [REDACTED] advised she told [REDACTED] and [REDACTED]

\* REDACTED THIS PAGE: FSS 119.071(2)(h)1., 119.071(2)(f)

[REDACTED] advised she has had no contact with the officer and has not been back to Jacksonville since.

Detective [REDACTED] and I showed [REDACTED] a photo spread containing a photograph of Officer Adam Boyd and five filler photographs. Prior to showing [REDACTED] the photo spread, we had her read the JSO photo spread instructions form (P-1306) at which time she acknowledged she understood them both verbally and by signing her name. Upon viewing the photographs, [REDACTED] immediately selected Boyd from the group as the subject in question. [REDACTED] signed the back of the photograph.

*I met with Barbara Aspinwall and obtained a copy of the checks and invoices issued to Boyd for the dates mentioned above. The checks for Boyd working the Southgate Shopping Center on 02-26-16 and for Boyd working the Beney Road Plaza on 3-22-16 and 3-25-16 were missing. Aspinwall advised she will locate those and provide them to me.*

*04-08-2016/ 0915 hours:*

*I met with Cynthia Haines at her office located at 3030 Hartley Road, suite 320. Haines is the Chief Operating Officer for WRH Realty, Inc. and is Bowen's point of contact for the company. WRH Realty, Inc. operates and manages the properties owned by Vestcor. Haines advised each of the properties that her company operates and manages are independently owned. Each property has a budget that the officers are paid out of. Haines said the officers send Bowen an invoice each time they work and Bowen forwards the invoices on to make sure the officer gets paid. Haines stated her company, as well as the individual properties, expect the officers to be present for the amount of hours they put on their invoices. Haines said she has never given permission to anyone to allow an officer to not be present at the sites and still get paid. Haines agreed to provide the copies of the checks for the dates mentioned earlier when Boyd reported he was present but wasn't.*

*Note: The total loss to the companies operated and managed by WRH Realty, Inc. is \$540.75.*

*I further spoke with Gina Lee who was previously the manager of the Lindsey Terrace Apartments. Lee advised she dealt with Bowen directly when she was in that position and advised she never gave permission to Bowen, or any officer, for an officer to be able to get paid for time they were not present at that site.*

*04-08-2016/ 1121 hours:*

*Barbara Aspinwall confirmed that Boyd has cashed all the checks issued to him for working the previously mentioned dates for her company.*

*04-08-2016/ 1215 hours:*

*Cynthia Haines emailed me copies of the cancelled checks that Boyd received from her company for the dates he reported he worked there that are reported previously.*

*04-13-2016/ 0915 hours:*

*Boyd arrived at the Integrity Unit office but invoked prior to being interviewed.*

*04-13-2016/ 1100 hours:*

*Judge J. Guy reviewed and signed an arrest warrant for Boyd. The warrant was for the offenses of Official Misconduct, Grand Theft, and Petit Theft. The theft charges are for the loss of monies the various companies paid to Boyd for time he was not present at the job sites when he reported he was present. The warrant included the above mentioned dates from, and including, 02-13-2016 through, and including, 03-31-2016. The official misconduct is from Boyd falsifying the secondary employment records for reporting he worked the hours that he was not present. Secondary employment records are public records.*

*04-14-2016/ 0930 hours:*

*Boyd arrived at the Integrity Unit office where he was arrested and transported to the PDF.*

## CONCLUSION

During the course of an unrelated human trafficking investigation, the Jacksonville Sheriff's Office Integrity / Special Investigations Unit (ISIU) uncovered information regarding illegal sexual activity between known prostitutes and Jacksonville Sheriff's Office Police Officer Adam R. Boyd #7766 (CCR #2016-238000). During the course of the ISIU investigation, it was discovered that Boyd was having frequent consensual sexual relations for money with a known prostitute, as well as using his authority to force sexual intercourse on another known prostitute, while wearing his Jacksonville Sheriff's Office issued uniform, while armed with his Jacksonville Sheriff's Office issued firearm, and while using his Jacksonville Sheriff's Office issued patrol vehicle to travel to the location where the illegal sexual activity was occurring. It was unclear whether the incidents occurred while Boyd was serving in an on-duty capacity. ISIU exceptionally cleared the Sexual Battery Under the Color of Authority investigation, a first degree felony, based on the following from Assistant State Attorney Rich Mantei;

*"...probable cause does exist to arrest Boyd for sexual battery. However, due to the likelihood of not receiving a conviction, Mantei advised his office would not issue an arrest warrant and would not seek prosecution. Mantei cited a lack of physical evidence and/ or additional witnesses as concerns for filing that charge against Boyd."*

Based on the available information, Internal Affairs finds that there is a preponderance of evidence to prove that Boyd violated **Florida State Statute 794.011(4)(b), and (e), (7) (Sexual Battery)**, to wit;

**794.011 Sexual battery.—**

**(4)(b) A person 18 years of age or older who commits sexual battery upon a person 18 years of age or older without that person's consent, under any**

of the circumstances listed in paragraph (e), commits a felony of the first degree, punishable as provided in s. 775.082, s. 775.083, s. 775.084, or s. 794.0115.

AND,

(e) The following circumstances apply to paragraphs (a)-(d):

7. The offender is a law enforcement officer, correctional officer, or correctional probation officer as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9), who is certified under s. 943.1395 or is an elected official exempt from such certification by virtue of s. 943.253, or any other person in a position of control or authority in a probation, community control, controlled release, detention, custodial, or similar setting, and such officer, official, or person is acting in such a manner as to lead the victim to reasonably believe that the offender is in a position of control or authority as an agent or employee of government.

Therefore, by violating the above Florida State Statutes, Boyd also violated the provisions set forth in **General Order XI.18 (Code of Conduct)**, I. A. 2., to wit;

**General Order XI.18 (Code of Conduct)**

**I. Obligation to Know and Abide by the Law, Regulations, Sheriff's Office Objectives and Orders.**

**A. Every officer shall know and abide by the laws of the State of Florida, the City of Jacksonville, the constitutional rights of citizens, and applicable restraints upon governmental power. The exercise of police power carries**

with it the responsibility to enforce the law in a manner consistent with the State and Federal Constitutions. Improper exercise of this power erodes the foundation of government and public trust.

2. All members shall adhere to all laws; international, federal, state, and municipal.

Accordingly, Internal Affairs recommends that the charges of Commission of Conduct Supporting Criminal Acts – Sexual Battery Under the Color of Authority and against Police Officer Adam R. Boyd #7766 be classified as SUSTAINED.

During the course of the ISIU investigation into Boyd's activities, ISIU discovered that Boyd had knowingly accepted compensation for secondary employment work he had not completed. An arrest warrant (CCR #2016-0233237 / S.A. #16-AF-021319) was issued and signed by Fourth Judicial Circuit Court Judge John I. Guy (Duval County), for Boyd's arrest for the crimes of Official Misconduct (a third degree felony), Grand Theft (a third degree felony), and Petit Theft (a first degree misdemeanor). On April 14, 2016, ISIU arrested Boyd and he was booked into the Pre-Trial Detention Facility (PDF). Boyd declined to provide a statement to ISIU.

Based on the available information, Internal Affairs finds that there is a preponderance of evidence to prove that Boyd violated **Florida State Statute 838.022(1)(a), (3) (Official Misconduct)** and, the theft statutes outlined in **Florida State Statute 812.014(1)(a)(b) and (2)(c)(1)**, and **Florida State Statute 812.014(1)(a)(b) and (2)(e)** to wit;

**838.022 Official misconduct.—**

**(1) It is unlawful for a public servant, with corrupt intent to obtain a benefit for any person or to cause harm to another, to:**

(a) Falsify, or cause another person to falsify, any official record or official document

(3) Any person who violates this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

AND,

**812.014 Theft.—**

(1) A person commits theft if he or she knowingly obtains or uses, or endeavors to obtain or to use, the property of another with intent to, either temporarily or permanently:

(a) Deprive the other person of a right to the property or a benefit from the property.

(b) Appropriate the property to his or her own use or to the use of any person not entitled to the use of the property.

(2)(c) It is grand theft of the third degree and a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084, if the property stolen is:

1. Valued at \$300 or more, but less than \$5,000

AND,

**812.014 Theft.—**

**(1) A person commits theft if he or she knowingly obtains or uses, or endeavors to obtain or to use, the property of another with intent to, either temporarily or permanently:**

**(a) Deprive the other person of a right to the property or a benefit from the property.**

**(b) Appropriate the property to his or her own use or to the use of any person not entitled to the use of the property.**

**(2)(e) Except as provided in paragraph (d), if the property stolen is valued at \$100 or more, but less than \$300, the offender commits petit theft of the first degree, punishable as a misdemeanor of the first degree, as provided in s. 775.082 or s. 775.083.**

Therefore, by violating the above Florida State Statutes, Boyd also violated the provisions set forth in **General Order XI.18 (Code of Conduct), I. A. 2.,** to wit;

**General Order XI.18 (Code of Conduct)**

**I. Obligation to Know and Abide by the Law, Regulations, Sheriff's Office Objectives and Orders.**
