

While this Art Walk incident occurred blocks away from The Jacksonville Landing, Sleiman Enterprises is highly concerned for the safety of our Landing employees, tenants, customers and community.

We are fully cooperating with the Jacksonville Sheriff's Office and investigators. And we support every effort to make Downtown Jacksonville safer for residents and visitors. We are thankful the injuries are non-life-threatening, and this situation didn't have a worse end result. After the incident occurred, one of the individuals involved sought a safe environment inside the Jacksonville Landing.

We have a rigid security plan in place at the Jacksonville Landing and management on site at all times. At every event, including every Art Walk, we increase our security with additional guards and off-duty Jacksonville Sheriff's Officers inside and outside the Jacksonville Landing.

The shooting incident Wednesday night that happened outside of the Jacksonville Landing was a serious incident that reiterates the need for a safer Downtown Jacksonville. Sleiman Enterprises and the Jacksonville Landing support any initiatives to improve the Downtown Jacksonville experience for all.

Anyone with information is asked to call the Sheriff's Office at 904-630-0500. To remain anonymous, contact Crime Stoppers at 1-866-845-TIPS.
