

Tiger Woods:

"I understand the severity of what I did and I take full responsibility for my actions.

I want the public to know that alcohol was not involved. What happened was an unexpected reaction to prescribed medications. I didn't realize the mix of medications had affected me so strongly.

I would like to apologize with all my heart to my family, friends and the fans. I expect more from myself too.

I will do everything in my power to ensure this never happens again.

I fully cooperated with law enforcement, and I would like to personally thank the representatives of the Jupiter Police Department and the Palm Beach County Sheriff's office for their professionalism."
