BE IT RESOLVED by the Council of the City of Jacksonville:

Section 1. Findings. It is hereby ascertained, determined, found and declared as follows:

(a) The recitals set forth herein are true and correct.

(b) The location of the Company’s project in Jacksonville, Florida, (“Project”) is more particularly described in the Economic Development Agreement. The Project will promote and further the public and municipal purposes of the City.

(c) Enhancement of the City’s tax base and revenues, are matters of State and City policy and State and City concern in order that the State and its counties and municipalities, including the City, shall not continue to be endangered by unemployment, underemployment, economic recession, poverty, crime and disease, and consume an excessive proportion of the State and City revenues because of the extra services required for police, fire, accident, health care, elderly care, charity care, hospitalization, public housing and housing assistance, and other forms of public protection, services and facilities.

(d) The provision of the City's assistance as identified in the Economic Development Agreement is necessary and appropriate to make the Project feasible; and the City's assistance is reasonable and not excessive, taking into account the needs of the Company to make the Project economically and financially feasible, and the extent of the public benefits expected to be derived from the Project, and taking into account all other forms of assistance available.

(e) The Company is qualified to carry out and complete the construction and equipping of the Project, in accordance with the Economic Development Agreement.
(f) Recommendation for QTI Refunds. The Council, acting in its capacity as a county, hereby recommends to the State of Florida Department of Economic Opportunity that the Company be approved as a "qualified target industry business" pursuant to Section 288.106, Florida Statutes, with a High Impact Sector bonus.

(g) The authorizations provided by this Resolution are for public uses and purposes for which the City may use its powers as a county, municipality and as a political subdivision of the State of Florida and may expend public funds, and the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.

(h) This Resolution is adopted pursuant to the provisions of Chapters 163, 166 and 125, Florida Statutes, as amended, the City’s Charter, and other applicable provisions of law.

Section 2. Economic Development Agreement Approved. There is hereby approved, and the Mayor and Corporation Secretary are authorized to enter into an Economic Development Agreement ("Agreement") between the City and the Company, substantially in the form placed On File with the Legislative Services Division (with such “technical” changes as herein authorized), for the purpose of implementing the recommendations of the OED, as are further described in the Project Summary attached hereto as Exhibit 1.

The Agreement may include such additions, deletions and changes as may be reasonable, necessary and incidental for carrying out the purposes thereof, as may be acceptable to the Mayor, or his designee, with such inclusion and acceptance being evidenced by execution of the Agreement by the Mayor or his designee. No modification to the Agreement may increase the financial obligations or the liability of the City and any such modification shall be technical only and shall be subject to appropriate legal review and
approval of the General Counsel, or his or her designee, and all other appropriate action required by law. "Technical" is herein defined as including, but not limited to, changes in legal descriptions and surveys, descriptions of infrastructure improvements and/or any road project, ingress and egress, easements and rights of way, performance schedules (provided that no performance schedule may be extended for more than one year without City Council approval unless required to align the Performance Schedule with any changes to performance schedules set forth in the agreement between the Company and the State of Florida Department of Economic Opportunity) design standards, access and site plan, which have no financial impact.

By this Resolution, the City is authorized and directed to provide "local financial support," as defined in Section 288.106, Florida Statutes, in the aggregate amount of up to $800,000 or 20% of the amount of the basic QTI Refunds with a High Impact Sector bonus granted to the Company by the State, whichever is less. Such local financial support shall be made available in the amount of up to $1,000 per new job for up to 800 new jobs created by the Company in connection with the Project. The funding for such local financial support will be made available by future appropriation of the Council over the time period described in the guidelines referenced in the heading of this Resolution if such new jobs are created.

Section 4. Payment of REV Grant.

(a) The REV Grant shall not be deemed to constitute a debt, liability, or obligation of the City or of the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City or of the State of Florida or any political subdivision thereof, but shall be payable solely from the
funds provided therefor as provided in this Section. The Economic Development Agreement shall contain a statement to the effect that the City shall not be obligated to pay any installment of its financial assistance to the Developer except from the non-ad valorem revenues or other legally available funds provided for that purpose, that neither the faith and credit nor the taxing power of the City or of the State of Florida or any political subdivision thereof is pledged to the payment of any portion of such financial assistance, and that the Developer, or any person, firm or entity claiming by, through or under the Developer, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City or of the State of Florida or any political subdivision thereof for the payment of any portion of such financial assistance.

(b) The Mayor, or his designee, is hereby authorized to and shall disburse the annual installments of the REV Grant as provided in this Section in accordance with this Resolution and the Economic Development Agreement.

Section 5. Designation of Authorized Official/OED Contract Monitor. The Mayor is designated as the authorized official of the City for the purpose of executing and delivering any contracts, notes and documents and furnishing such information, data and documents for the Agreement as may be required and otherwise to act as the authorized official of the City in connection with the Agreement, and is further authorized to designate one or more other officials of the City to exercise any of the foregoing authorizations and to furnish or cause to be furnished such information and take or cause to be taken such action as may be necessary to enable the City to implement the Agreement according to its terms. The OED is hereby required to administer and monitor the Agreement and to handle the City's responsibilities thereunder,
including the City's responsibilities under the Agreement working with and supported by all relevant City departments.

**Section 6. Further Authorizations.** The Mayor, or his designee, and the Corporation Secretary, are hereby authorized to execute the Agreement and all other contracts and documents and otherwise take all necessary action in connection therewith and herewith. The Executive Director of the OED, as contract administrator, is authorized to negotiate and execute all necessary changes and amendments to the Agreement and other contracts and documents, to effectuate the purposes of this Resolution, without further Council action, provided such changes and amendments are limited to amendments that are technical in nature (as described in Section 2 hereof), and further provided that all such amendments shall be subject to appropriate legal review and approval by the General Counsel, or his or her designee, and all other appropriate official action required by law.

**Section 7. Oversight Department.** The OED shall oversee the project described herein.
