Safety and Security Measures

- Every school has an individual school emergency plan
- All schools have standard operating procedures to address any conceivable event at the school
- All schools have color-coded emergency flip charts
- All schools are required to conduct a minimum of seven fire drills, two lockdown drills, two severe weather drills over the course of the school year, and an additional drill within the first 30 days of the start of school
- All schools utilize a visitor management system known as the Raptor system to clear visitors and produce a visible identification badge
- The District utilizes various security monitoring methods including camera surveillance and monitored controlled access systems
- The District is actively installing security fencing and assessing critical needed locations
- The District is currently working on a plan to place additional resource officers in schools
- The District continues to collaborate and work alongside all local law enforcement agencies

Social and Emotional Services

- School counselors are available at all schools, many of whom are trained mental health counselors
- Motivational Coaches of America (MCUSA) coaches are available at three junior high schools with plans of expansion to more schools
- The District has launched a Community Partnership School at Wilkinson Junior High with plans of expansion to more schools
- All schools have support through the district's Crisis Intervention Team
- All schools have support services assigned from the district to include school social workers, school psychologists, and district-level specialists
- All schools have access to a school-based nurse
- All employees have access to an employee assistance program
- Schools have access to community agency partnerships such as Clay Behavior Health, Right Path, and Children's Home Society
