Re: Statement of the Brunswick Downtown Development Authority (DDA) about *It's Our Right – Georgia Chapter's* Press Release.

The Downtown Development Authority of the City of Brunswick accepted the application without issue. At the time the application was submitted, there was not an internal discussion of whether guns would be carried in the parade. At no time was the group told they could or could not participate with their guns; however, the group was asked to consider the spirit and atmosphere of the parade and concerns attendees may have at seeing a group of armed individuals in a holiday parade.

The City of Brunswick and the DDA support the Constitutional rights of our residents, and if the group wants to organize their own event, they are certainly allowed to do so.
