Plaintiff,

No. 3:16-cr-48-J-25JBT

V.

REGINALD N FULLWOOD

Defendant.

PRO SE MOTION TO TERMINATE PROBATION

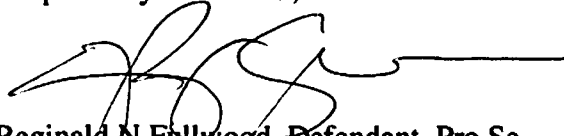

Pro se Defendant, REGINALD N FULLWOOD, respectfully moves this Honorable Court for early termination of probation pursuant to Rule 7.1, General Rules, U.S. District Court – Middle District of Florida, and Title 18 United States Code, section 3564 (c). As grounds for this Motion, Defendant states as follows:

1. On February 7, 2017, Defendant was sentenced to 180 days of Home Detention and 36 months of probation. Defendant completed home detention without incident and has served 25 months of probation in good standing. Defendant has no prior convictions and no legal issues since being convicted.
2. Defendant is fulfilling the terms of his probation including being obligated to serve 450 Community Service hours, but actually completing over 550 community service hours.
3. Defendant has discussed early termination with the assigned probation officer, Steve Watson. Mr. Watson has stated that he would not oppose early termination. Defendant's mental health therapist, Dr. Arthur Cox, also supports early termination.
4. Probation imposes a financial and personal hardship on Defendant, who has an employment opportunity that requires that he not be on probation. Defendant's employment and career prospects are limited based on the terms of probation.

5. Early termination of Defendant's probation would serve the best interests of justice and allow the Defendant to have consistent income and better take care of his family and pay his financial obligations to the court.

WHEREFORE, Defendant respectfully requests that this Honorable Court enter an Order permitting the early termination of Defendant's probationary term having served two thirds of his three-year probationary sentence.

Respectfully submitted,
