Sheriff Daniels,

I have tried to reach you multiple times by phone via text and phone calls regarding the safety and security of our schools. To say that I am disappointed to hear your comments on the news Monday evening is an understatement. On Monday, April 22nd, I attempted to contact you at the following times identified below with no prevail. Therefore, I am sending this formal email communication as a request for a time and location to meet.

Method of Communication	Contact #	Time	Outcome
Phone Call	(904) 328-XXXX	10:05 a.m.	No Answer
Text Message	(904) 328-XXXX	10:39 a.m.	No Response 
Phone Call	(904) 328-XXXX	8:38 p.m.	No Answer

The purpose of the meeting will be to discuss your recent decision on community policing, eliminating protection for our schools prior to the District Police Department being fully operational, and to reiterate, once again, the timeline for standing up this department. While this information has been made public over the past four weeks and I feel strongly that there is a need to meet in the immediate future to further discuss our plan and implementation.

Throughout this entire process, I have been an advocate for the Clay County Sheriff's Office, along with the body of work that you have exhibited during your entire tenure. At no point have I ever publicly shamed you, spoken ill of your work, or discredited your efforts to lead the work. Unfortunately, it appears that the same respect has not been reciprocated. As stated before to you, this community deserves professionalism and decorum from all public agencies charged with protecting its citizens.

I stand ready to lead this work collaboratively with you and all law enforcement agencies. As we move forward there is a genuine need to focus on the singular goal of protecting our children and working conditions of our employees. Please provide multiple dates and times of your availability and I will adjust my schedule to meet with you.

Thank you for your immediate attention.

Respectfully,

Addison Davis
