ORDER

It has come to the Court's attention that there have been media requests for a copy of the jury's written verdict form filed in this case at the conclusion of trial, which form contains the signature of the jury foreperson. Given the highly publicized and, at times, divisive nature of this case throughout the proceedings, the Court finds that the potential harm resulting to the jury foreperson clearly outweighs the public interest in knowing his or her identity.

Accordingly, pursuant to Uniform Superior Court Rule 21.2, the Court hereby DIRECTS the Clerk to make available for public inspection or production only a redacted verdict form wherein the foreperson's signature is removed and replaced with "Juror #28." The Court further DIRECTS the Clerk to seal the original verdict form filed in this case for purposes of the record.

It is so ORDERED, this 5 day of October, 2019.

STEPHEN G. SCARLETT, SR. Chief Judge, Superior Courts

Brunswick Judicial Circuit
